SUBJECT: Policy and Procedures for Overseas
Handling, Processing and Reporting
on Photographic Results of AQUATONE
Operations Far East [REDACTED] 25X1A2g

1. This memorandum contains a recommendation submitted for DDCI approval. Such recommendation is contained in paragraph 3.

2. Attached herewith is a brief memorandum for your signature to General Lewis on the subject of handling AQUATONE photography when required in the Far East theatre. All participating agencies concur in the policy and procedures paper (I have a written concurrence from Air Force). This paper is modelled after the agreement which we reached on [REDACTED] 25X1A2g
for photo handling in the theatre. You will note in the memorandum of the DDCI to General Lewis that implementation of this procedures paper is dependent upon further agreement by the CIA and Air Force at such time as there is a need to activate [REDACTED] 25X1A2g

3. Recommendation. That you sign the attached paper.
